1302/18 COASTAL PATH RIVER MEDINA FORMAL STATEMENT REQUESTED ON OUR SUPPORT FOR THIS

The Council agreed to support with the following statement:-

Whippingham Parish Council whole heartedly supports the inclusion of the River Medina.

It would complete the coastal path that runs from Cowes to Newport, Newport to East Cowes. At this moment in time the path runs from Island Harbour to Newport. By linking East Cowes

Whippingham to Island Harbour this will open up access to more walkers and if the path is of the same quality as on the Cowes side it would open up access to disabled people who at the present time are disadvantaged.

The opening up of this pathway by including the River Medina will make it an easy to manage walking experience as it is a flatter route for people to walk along and more in keeping with our elderly population on the Island.
